Rule Changes

Please find enclosed new rules changes effective 01.01.09, however, tournaments still to be done within this year have been authorised to implement such changes by the IJF, these changes will be implemented at the All Irelands 6th December 2008.

No Licence – No Judo

As per our previous communications this year, from the 1st January 2009, no licence means no judo, by not holding your licence you could be voiding the insurance held by your club and you will be bringing your own Association into disrepute as regards breaking its own rules.

Dublin City Sports Grant – for Young People

If your club is based within the Dublin City Council area, we have received grant application forms which need to be completed before the 17th November 2008, please contact Deirdre Leonard in order to receive a copy of same.

Up To Date Information

Please find enclosed form to be completed and returned to the office by post, fax or email, this gives us the opportunity to insure our contact details for each club are up to date.
