Membership Cards

The Irish Judo Association is looking at replacing the current Licence Book system with a more fluid membership card first quarter of 2009, one part of this will be a requirement for a passport style photo for each member from underage right through to masters, we will keep you informed as the details are signed off and new cards printed.

Up To Date Information

In our last circular, an 'up to date information form' was sent to you, please do return them as soon as possible. Over the coming weeks, Deirdre from the Irish Judo Association will be in touch with each club by phone to collate further information which will be vital to the Irish Judo Association with regards to the grants available from the Irish Sports Council. The more our Association expands with new members and new clubs, the more funding we can apply for which in turn, will benefit for our clubs.
